

200-SERIES - HIGH RESOLUTION INDOOR DOME

CM-206L9

DESCRIPTION

OpenEye's CM-206L9 produces high resolution video and superior low lux performance, providing users a better quality picture and allowing for easy identification in critical situations. These high resolution cameras can record at up to 600 lines of resolution.

With features such as a low lux level for nighttime recording, a high TV line resolution, and a tamper resistant design, the 200-Series domes are a smart choice for indoor surveillance applications.

OpenEye 200-Series cameras are compatible with both 12vDC and 24vAC power making them easy to add to an existing installation and come with a quick mount adapter—everything needed for a quick and easy out-of-the-box installation.

HIGHLIGHTS

- » Tamper resistant construction
- » 3-axis gimbal for 360° positioning
- » Digital WDR
- » 600 TVL
- » Optically correct bubble
- » Varifocal 9 ~ 22 mm lens
- » Dual voltage operation 12vDC/24vAC
